TIME-LIFE The Civil War In 500 Photographs

Synopsis

The name TIME-LIFE has become synonymous with providing readers with a deeper understanding of subjects and world events that matter to us all. Now, with the 150th anniversary of the end of the Civil War upon us, TIME-LIFE The Civil War in 500 Photographs will be an indispensable guide to a nation-changing era and the military, social, economic, and political forces that shaped it. The narrative of the Civil War, fought from 1861 to 1865, is familiar to almost all Americans, from Presidential candidate Abraham Lincoln's noble declaration that "the government cannot endure permanently half-slave, half-free" to Confederate Gen. Robert E. Lee's surrender at Appomattox. Yet the details of the battles and battlefields, the political maneuverings, and the personalities who defined the war continue to fascinate citizens of all ages. TIME-LIFE The Civil War in 500 Photographs taps into that interest, providing a fresh and accessible way to appreciate this most important conflict. It will lay out the war's major developments in arresting, colorized images and cover topics from the backstory through secession, the Union's early setbacks, the Underground Railroad, victories at Gettysburg and Vicksburg, and Reconstruction. For history buffs and the newly curious, The Civil War in 500 Photographs will be the ultimate, easy-to-use guide to four years that changed our nation forever.

Customer Reviews

Bought it for my tween's junior high history classes obviously there are many more images available in google's image search ...but some of those will be bogus ... and for when we want to go through some offline it's handy to have this reference work

Identifying US sailors as soldiers is reprehensible in any Civil War book. The epic battle between the ironclads in Hampton Roads did not take place in Chesapeake bay as the text states several times. However the photos are genuine, and can be enjoyed by anyone interested in the American Civil War.

It's good for my civil war collection.

Great book!!! My dad loved it!

great facts on the civil war.

Way too many soldier pictures and few post battle scenes. Example: Atlanta Georgia before and after.

Great textbook type of book, great battle line maps
