# **Mommy Deadliest: The Shocking True Crime Story Of A Murdering Mother**

## **Synopsis**

Loneliness. Desperation. Despair. Every time Earl and Martha Ann fight something bad happens to one of their kids, something appalling. Is it just bad luck? That's what Martha Ann says. Or could it be something else? Earl is afraid his wife has become a serial killer. He doesn't have the evidence, but he has the fear, and the suspicion. *Mommy Deadliest: The Shocking True Crime Story of a Murdering Mother* tells the true story of a simple woman who understood what was happening was wrong, but couldn't or wouldn't stop. This is a biography of a criminal, an outlaw, a woman who did the unimaginable. However, it is also the story of how the law enforcement, medical, and social service communities failed Martha Ann, Earl, and their family. At the heart of the story though is a simple question: How could a mother do this to her children? Go to the upper left and click on the Look Inside link to begin reading now. ## **Customer Reviews**

If you are a fan of true crime, I would not recommend this book. It does not go into any depth on the

case as far as background or the investigation. Also it is poorly written with many typos.

This book is 26 pages! So disappointed in price for such a small read!
