# Blue Blooded: Denim Hunters And Jeans Culture

## Synopsis

Jeans are equal parts subculture and establishment. Worn as both work clothes and luxury fashion, they are practically universal. This book contains everything you need and want to know about jeans. Denim embodies authenticity, rebellion, workwear, and the old west. Denim hunters tirelessly search ghost towns for vintage jeans. Families weave heritage cloth for generations. Craftsmen on foreign shores preserve the old ways while designers back home redefine the iconic five-pocket look. And all of us trade stories of how we got that perfect fade. *Blue Blooded* is the story of denim and denim culture: The secrets of selvedge. The true origins of the Osaka Five. The immigrants and inventors in the Wild West who created jeans. Exclusive profiles of the independent designers and makers invigorating the denim scene, like 3sixteen and Iron Heart, along with forces like Levi's™s that shaped the industry. No other garment has the iconic status of jeans. Jeans are never out of fashion, and they will continue to outlive other sartorial trends for the foreseeable future. A contemporary overview of our favorite article of clothing, *Blue Blooded* introduces traditional brands as well as designers who are stirring up the industry. The book covers the topic of jeans in its entirety—from their rivets to their various washes and from their cultural history to a recommended selection of stores where they can be bought. And, of course, the things every denimhead needs to know: How to wash—or not wash—your jeans. How denim is made. And how denim makes us who we are.

## Book Information

Hardcover: 256 pages

Publisher: Gestalten (June 25, 2016)

Language: English

ISBN-10: 3899556461

ISBN-13: 978-3899556469

Product Dimensions: 9.7 x 1 x 11.2 inches

Shipping Weight: 3.5 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)
