## Customer Reviews

Just returned from our trip to Flanders, and this book, which includes a detailed carry along version for site seeing, is fabulous. If you are going to Flanders, I recommend getting it very early so you can determine which sites you want to see while there. There are just too many historic places to see everything if you only have a day or two, but you'll see wonderful things by following this book, and when you get home, you have a beautiful cocktail table book to show everyone.

Absolutely love it
