# Win The Claim Game: An Insider's Guide To A Successful Home Insurance Claim

## Synopsis

Is filing an insurance claim driving you crazy? This book can help. Insurance companies are supposed to be here to help us, and in many cases, they do. Each year, insurance companies in the UK pay out over £32 billion to families who have faced burglary, fire damage, flooding, terrorism, and other tragedies. However, because they don't understand how to file properly, thousands of these households don't receive the value they deserve from their insurance company. You can't blame them: despite how important this knowledge is, we're never taught the right way to work with insurance companies. In *Win the Claim Game*, insurance professional Joel Zimelstern breaks down everything you need to know to work with an insurance company. After reading this book, you'll understand how to quantify your true losses, which paperwork to file when, all the characters you'll deal with, and dozens of little tips and tricks to ensure that you get the pay out you deserve.
