Customer Reviews

I already have the 7th edition workbook ..but i had the 6th edition book its self..so by buying this book it had made things a lot easier for me..I Love the layout of the book as well it is very informative and interesting..Im beginning to love Anatomy and physiology anatomy and physiology

This workbook cut my study time in half and helped me to be better prepared for the exam. I was shocked when my score went from 80 to 90 just after one exam!

I love this workbook. It is a great way to test your knowledge of anatomy and physiology.

I loved this book, it was very helpful to my AP class in helping lesson come full circle.

It is perfect! No problems & delivered in a very timely manner!

Very helpful, easy to understand. You me both to help study.

So great book it help me with this class so much

Very happy w/my purchase.
